LOST  READ IT FIRST  
LONDON

Call  
them  
quick.

700  
years?!

DOOM  
LONDON

What  
could  
be there  
after -

I'm  
so  
sorry -

For  
this to  
happen at  
our hos-  
pital -

Even if  
I have lived  
for over 700  
years, I could  
never be  
patient.

It's a  
relief there  
aren't many  
injured.

*"Now... say  
those things to  
the person directly  
involved!"*

Fighting!

*Chae-Rin -*

*This  
is my fault!*

*Because of me,  
Chae-Rin -*

*What  
should I  
do?*

*Who on  
Earth  
would-*

*Why!!*

*...Na...*

*Anna!*

*Are...  
you all  
right?*

M-  
mhm.

It's  
obvious that  
he knows  
something.

Since  
there are  
dangerous  
people who are  
seeking out  
Anna.

I have  
something  
to ask.

Do you  
know where a  
guy named Sen  
is right now?

ARE YOU  
SUSPECTING  
SEN?

IT'S  
NOT HIM -  
ONE WOULD NEVER  
DO SOMETHING LIKE  
THAT! HE DOESN'T  
EVEN KNOW CHA-  
RUL REY!  
WELL-

Calm  
down—

Look  
at me,  
Anna.

There's  
no time.

If you  
want Chae-  
Ran safe, we  
have to find them.  
To do that,  
we need that  
person.

Chae-Ran

You're...  
a hunter.

Can you  
promise me  
that you  
won't hurt  
them?

*Sorry,  
but I can't*

Okay.

If you  
want.

*Because  
I love -*

*Their great  
reunions.*

I promise.

What  
about  
Se-In  
hyung?

Taking  
care of the  
hospital  
discharge -

We can't  
keep stay-  
ing at the  
hospital. It's  
dangerous.

Yeah.  
It'll be good  
to go home,  
since it's safer  
than here.

Hyung -  
we should  
split into  
two teams

Two  
teams?

We  
have to  
go save  
Chae-Rin

Would  
she be  
alive?

Well -  
we should  
at least  
try.

You  
hyungs  
should take  
care of  
Anna.

Are you  
going to be  
okay?  
Clearly-

they're  
the ones  
we've been  
chasing  
for years.

Yeah,  
don't worry.  
I have an  
idea.

It's  
going to  
be a timing  
night. Right?  
Be care-  
ful.

Hyung-

Don't  
take your  
eyes off  
Anna.

Not  
even for a  
moment-

Okay-

Got it.  
Kid-

It's  
me.

What's  
the  
problem?

Anna?

She's safe  
now.

Yes,  
they have  
probably  
noticed by  
now.

Andurachi  
made a move  
but he took  
the wrong kid.  
Idiots —

Don't  
worry. They're  
little kids. It'll  
be enough with  
just me.

What?

What are  
you saying  
is weird?

What  
about  
Anna?

In the end she did as I told her. That's good.

Don't worry about useless things.

I will comfort her well.

Bye!

ANY-  
JEN!

Is it Sen?

Yes...

Buc-

What's the matter?

Andurachi  
made a move.  
On Anna...

What  
should we  
do?

Should  
we tell  
Noah about  
this?

*What kind  
of nonsense is  
that! Hiss-San  
got talking  
about?*

*Why would  
Anna...*

You'll have  
to be a bit  
faster than  
this.

Andurachi  
will be harder  
to deal with  
than me.

Andurachi?

That's  
right.

this  
attack is  
his doing.

The one  
you should  
shoot is him,  
not me.

Then  
tell me where  
those guys  
are.

Why?

Because  
Anna's  
friend was  
captured

You're  
saying  
you'll save  
her?

Why are  
you worrying  
about that? All  
you have to do  
is just protect  
Anna—

Because  
she's Anna's  
friend

Because  
she's hurt  
and blaming  
herself for  
this

You're  
a strange  
fellow—  
give up.

Since she's  
already in  
Andurachi's  
grasp, there's  
no way.

Plus since  
he caught  
the wrong  
girl

he's  
probably  
furious. If it's  
that kind of  
situation,  
then -

*He's probably  
thinking that  
I lied.*

*Since Na-Ei won't  
be at the ranch.*

*This attack's reason  
is probably also-*

Why is  
he aiming for  
Anna?

Because  
he's crazy.

What?

Who  
would know  
the mind of  
a crazy  
man?

If  
that's  
the  
case

It seems  
like we  
can't save  
her more and  
more.

You...  
want to  
kill Andu-  
rachi?

I know  
Andurachi  
oh... it's  
going to be  
hard, you  
know?

In  
particular,  
specific  
hunter like you  
going against  
him is like  
committing  
suicide.

So

I  
need your  
help.

What?

You're  
worrying about  
Anna being in  
danger.

Even  
today you're  
here to protect  
her. Isn't that  
right?

You  
probably don't  
want Anna to  
be chased  
forever.

As long  
as he lives,  
Anna will be  
in danger.

What  
do you  
think,  
Sen?

We  
have a  
common  
enemy  
and...

In order  
to protect the  
person we  
treasure—

there's  
only one  
way. We  
must kill  
him.

You  
waited  
for a lot,  
right?

Let's  
go home  
now.

Anna...  
I have  
something  
to say—

?

No—

Let's  
talk at  
home.

I have a  
sense of  
what he wants  
to say...

*It's probably  
about Mom.*

*And...*

Best—

*What?*

Best—

Chae-Rin's  
phone?

!!

오빠

WAIT-

Aaaa-  
what's  
wrong!

PI-PI be  
going to the  
bathroom for  
a bit.

He-  
hello!

.....

He-

... Anna...

A  
number  
I don't  
know...

CHAE-RIN!  
YOU'RE SAFE! WHERE  
ARE YOU?

...I kept calling  
you to y-your  
phone- but it. it was  
turned off...

Ah- The  
battery- !

ARE YOU ALL  
RIGHT? WHERE  
ARE YOU? I'LL GO  
SO-

...Anna...  
I'm too-  
too...

!!

Ah-

Hello,  
Miss Anna.

Right  
now

!!

HE-  
HELLO?

CHAE-RIN!

WHO-  
WHO ARE  
YOU?

I don't  
think that's  
what's imp-  
ortant

Since  
something  
wrong came  
into my  
hands

My  
mood is  
quite  
bad.

Wh—

What  
do you...  
want?

You—

It'll be  
good idea  
if you came  
here right  
now.

I'm going  
to really  
enjoy eating  
your pretty  
friend—

If you  
don't...
